MEMORANDUM BY THE GERMAN DELEGATION
ON THE EXPORT TO POLAND OF 4 FISH FINDING
EQUIPMENT

4288131

68

The German authorities have been asked to license the export to Poland of

4 fish finding equipment
horizontally operated, type Elac Lodar 1 AX,
covered by item 1510,
total value 27 852.- \$

These apparatuses are to be installed in 4 supertrawlers of 1500 gross register tons under construction in the Polish shipyard "Stocznia Gdanska", construction - numbers B 15/1-4.

Assurances as to the enduse of the equipment as well as against reexport and transshipment have been received from the Polish authorities.

In view of the civilian enduse established and the special policy adapted by the Committee towards Poland, the German authorities wish to grant the license and trust that no objections will be raised against this export. The German Delegation would appreciate to have the views of governments at an early opportunity.
